Out and Up Receives Grant to Fund After-School Care

Macon, GA , February 15, 2008 - Out & Up, Inc. was awarded a \$12,000.00 grant from the Community Foundation of Central Georgia. The grant will fund After School Program Services to community students in grades K-8. Additionally, it will allow some specially qualified students who apply to participate in a structured after school program offering academic assistance through tutoring, remediation, and enrichment. Other services provided will include computer time, reading programs, character development, and participation in the arts.

The program operates at the Hester Bivins Center located at 985 Plant Street.

For more information contact the Joshua House After-School and Summer Enrichment Program at (478) 741-2080 or joshua_house@outandup.org

The mission of Out and Up, Inc. is to provide services to the community that will enhance its physical, educational, emotional and spiritual development.
